

All Pupil II

Now Available with LED Technology

All Pupil II is based on the design of the number one selling All Pupil indirect. Look out for the new features designed to make your examinations easier and more comfortable.

Go Wireless (Patented)

That's right, no more wires and cords! The freedom to move from room to room without any constraints. Keeler is delighted to introduce this great "wow" feature to the number one selling indirect ophthalmoscope.

Outstanding Brightness for Difficult Examinations

With 2000 lux of light, which can be turned down to 2% of total illumination when necessary, All Pupil II offers maximum illumination with total control.

P D Range: 47 - 75mm

Lightweight and Comfortable

The new design weighs just 520 grams and extra padded materials have been incorporated into the headband to make this indirect extremely comfortable for all examinations.

Simple Controls

The All Pupil II has a unique single control to change aperture size and position in one movement to view through all pupil sizes.

IR and UV barrier

There is a built in full time IR and UV barrier which guarantees improved patient protection and safety.

All Pupil II LED Module

The All Pupil II LED plugs simply into the back of your All Pupil II to give you all the benefits of LED illumination.

- LED provides better detail, brighter, whiter illumination
- Freedom from purchasing bulbs
- The LED life expectancy is up to 10,000 hours
- 5 year warranty

Longest life, brightest, better detail

25% brighter than standard bulbs

New Slimline Lithium Polymer battery weighs less than 2 ounces

Combined LED and Lithium Polymer battery can provide up to 6 hours of use on a single charge

All Pupil II LED Slimline

Same Great AllPupil II Optics!

New Slimline Lithium Polymer Battery

The New Slimline Lithium Polymer battery can give you up to 6 hours of use, weighs less than 2 ounces, and is nearly 70% lighter than the standard battery. It is also much smaller and can fit nicely into the palm of your hand.

New Slimline Lithium Polymer battery (paper clip shows scale)

Lighter

Long lasting

Our new Slimline Lithium Polymer Battery is as light and as small as the new mini iPod.

Spectra Plus

The Compact and Portable Choice

Portable and convenient

The new Keeler Spectra Plus has some big features. It has been designed as a portable, lightweight convenient indirect that can be tucked away in its neat carrying case.

LED long lasting illumination

...and - unbelievable - no more bulbs

That's right. No more bulbs! Just a long lasting, white homogenous light patch.

P D Range: 48 - 76mm

Keeler Stylish Frame

Spectra Plus comes on the new stylish Keeler frame that is not only attractive but provides maximum comfort and balance. Colors: Sky Blue, Blue, Red, and Black.
